

Could you give your time to a child this summer?

By hosting a child through Summer of Hope in July,
you would be giving a child from an orphanage:

- A fun-filled summer vacation...
something they have never had
- A chance to experience life in a family...
which many of them have never known
- An opportunity to receive medical and dental treatment...
of which they get so little
- A chance to hear the Gospel of Christ...
truth they may have never heard
- The **HOPE** of finding a loving, permanent family through
adoption... *a chance they may never get again*

Hosting a child is not a commitment to adoption. We need host families in order to bring the children. You can have fun getting to know a child and become their advocate in helping them meet someone who might adopt them!
